# Electronic ID Cards

- USA Softball is now offering electronic ID card registration option; with this option your team would be issued electronic ID cards once approved instead of being mailed physical ID cards.
- The electronic ID card will be made available to teams who choose the electronic ID Card registration option once team/players are approved, no more waiting for cards in the mail or shipping fees!
- The cards will be located within the team's "printable documents" section for listed Team Administrators.
- Electronic cards will have a printer friendly version with unlimited reprints at no extra cost
