All ACE educated coaches must first complete SafeSport.org training before ACE coaches exam.

Required SafeSport.org Lessons:

- Sexual Misconduct Awareness Education
 - Mandatory Reporting
- Emotional & Physical Misconduct

Your ACE exam link will not become available on your RegisterUSASoftball.com account until all SafeSport.org lessons have been completed.

More information on SafeSport can be located under USOC SafeSport section of RegisterUSASoftball.com help document (See link below to access RegisterUSASoftball.com help documents):

The process of becoming ACE educated is determined by the rules in your local association.

USA Softball of Oregon requires ACE Education to be paid with the team's registration invoice.

USA Softball of Oregon will require your Team Administrator to send you a welcome email. Your Team Administrator can send you a welcome email by clicking on your name on the team's page and clicking the "Send Welcome Email" button. Once you are logged in, it is likely you will start on page 7.

The answers you select will be saved to your profile however you can change any answer before you click the “Check Answers” button. To move to the next video you must check that you have answered all questions correctly. Answers that are correct will be displayed in green colored text; incorrect answers will be displayed in red colored text. You will need to answer the incorrect questions again and once more check your answers. After clicking the “Next Video” button located at the bottom of this screen you will NOT be able to return to these questions or video. (The video will be available for review when you’re done taking the ACE text.)

Note: The answers will not be displayed until the video has run the entire length.

1. Play and watch the entire video.
2. Select an answer for each question.
3. Click the “Check Answers” button to check your answers.
4. If you have any incorrect answers, select a different answer for each incorrect answer you provided, then click “Check Answers” again.
5. When all answers are correct, click the “Next Video” button and continue with the same process for each segment of the test.

Notes...

Choices for each question will appear at the end of each video.

1. Effective communication is the key to becoming a good coach.

2. A good coach will spend the majority of their time talking to their players, rather than teaching them and showing them what they want them to do.

3. Your players' performance depends on what they ____ not what you ____.

4. The number one reason kids play youth sports:

5. Teach your players from where they are, not from where you want them to be.

6. A "Parenting Meeting" can help you avoid conflicts that may occur during the season.
